In August of 2017, the general public became aware of a leaked U.S. Department of Justice and FBI memo regarding the monitoring and classification of certain types of Black activists under the designation ‘Black Identity Extremist’. (www.documentcloud.org/documents/4067711-BIE-Redacted.html)

The memo targets those Black/New Afrikan activist and organizers who are not only vehemently opposed to police brutality and misconduct, but specifically those who assert and educate the masses of people about their rights to engage in self and community defense. It implies that those who are designated as ‘Black Identity Extremist’ (BIE) should be profiled, monitored, criminalized and neutralized regardless of any so-called constitutional protections and procedural processes. Recently, Rakem Balogun, an activist-organizer from the Dallas, Texas area was arrested and remains detained under what many believe to be the first actual usage of the ‘Black Identity Extremist’ designated policy.

We demand his immediate release!!!

NATIONAL MOBILIZATION AGAINST POLICE BRUTALITY AND THE FRATERNAL ORDER OF POLICE (FOP)

As we pursue the ideal goal of ‘Community-Control of the Police’, the National Mobilization Against Police Brutality & the Fraternal Order of Police (FOP) also propose the following interim reforms:

1. Mandatory cultural sensitivity training for all new and veteran police officers.
2. Intense psychological evaluations for all officers, especially those returning from military service.
3. Legislation creating a National Civilian-Police Review Board.
4. Universal drug-testing for any police officer who discharges his/her weapon while in the performance of duty.
5. Mandatory reporting for all stop, frisk, arrest and/or civilian confrontations.
6. Mandatory body-cameras for all police officers.
7. Mandatory dash-board cameras for all police vehicles, including transport vans.
8. We advocate & support local legislation which prohibits local police from acting as immigration enforcement officers.
9. We advocate & support legislation which guarantees full & public disclosure of any police officers prior employment history, including complaints and disciplinary actions resulting from all allegations and/or findings of police misconduct.

No one, not even police officers and/or members of the Fraternal Order of Police (FOP) should be exempt from accountability and prosecution regarding criminal misconduct.

Sincerely,

National Mobilization Against Police Brutality and the FOP

Greetings,

I usually prohibit myself from mixing politics and religion but in consideration that both Qur’anic and Biblical aspects co-incide about Prophet Jonah (PBUH) I will step out on a limb. Prophet Jonah was trapped in the belly of the beast. To paraphrase both Qur’anic and Biblical aspects, Allah sent Prophet Jonah (PBUH) to talk with and admonish the people of Naphtali.

Naphtali like the modern day United States of America was a very fertile and productive place. We all know that with success comes cockiness, therefore Prophet Jonah (PBUH) cowardly ran away from his duties. Today, some of us have been neglectful of our obligations and similar to the Prophet Jonah (PBUH) we are trapped in the Belly of the Beast.

Question: who are you and what gives you the right to claim to be the person that you say that you are? Answer: In addition to being an African American Muslim, I am a New Afrikan Panther.

Islam prescribes me to stand against the oppressor. Being that I’m a United States citizen, the Bill of Rights informs me that “whenever the ends of government have been perverted and all other means of redress are ineffective, revolution isn’t only a right but a duty.”

As a member of the New Afrikan Independence Party (NAIP), I stand against all injustice. The NAIP calls for a revolutionary and radical Reconstruction of the economic, political and social institutions that impact our lives. Being both an African American Muslim and a New Afrikan Panther. I’m here to fulfill my obligation to that call.

Oppression is to keep down by unjust use of force or authority. We have witnessed this abuse of authority too many times by both law enforcement and the judicial system. We saw this abuse of authority in Dallas, Texas when law enforcement brutally beat, tasered and murdered Freddy Lee Lockett Jr..

Law enforcement tasered this man five (5) times and had the nerve to say that he was going to die anyway because he was on PCP.

Again, we saw this abuse of authority in Ferguson, Missouri when an unarmed Michael Brown was gunned down by law enforcement.

We witness this abuse of authority five days a week in courtrooms all across America when an attorney bamboozles a client to go ‘open plea’ (plea bargain). When an attorney tells a client to either go open plea or go to trial and get a life sentence: when an attorney tells you that he can get you probation for an open plea, that attorney is really compelling the client to testify and be a witness against himself in a criminal case. This is unconstitutional and a direct infringement of the fifth (5th) amendment to the United States constitution!

Revolution is to overthrow one government and to replace it with another. Two of the aspects I would like to consult with you about are redemption and economics. Redemption: to redeem, to turn in and to receive something in exchange: to set free. Economic: of or relating to the production, development and management of material wealth, such as that of a country or nation.

It is unfortunate that we have been set free from our outside obligations. Please do not spend your time in a state of idleness.
I would like to encourage both my brothers and sisters to ‘capitalize’ on every opportunity to pursue a higher education or vocation while incarcerated. Although success welcomes everyone, the opportunity is for the taking. Success is not going to just fall into your lap.

For some of us, among the incarcerated, freedom is near. Learn a trade and give yourself a fair shot to succeed. Write a business plan and apply for a grant. The worse case scenario is that you will be denied. Should that happen, make improvements to your business plan and resubmit it. Failures can be learning tools for future success.

Until we start making legitimate employment for ourselves and stop being in alliance with the enemy, we will continue to contribute to our own oppression. If you cut a snake’s head off, the rest of the body will die. If you stop feeding your enemy, he will become less powerful and die.

One of the things that I have learned from working out is that if you build a little muscle, the whole body becomes stronger. That applies to government and nation-building as well. When we go grocery shopping: buy gas for our cars and trucks: hire attorneys for legal representation, etc., we should seek to do business with like-minded New Afrikans. These types of exchanges, among others, will help our communities to become stronger and lend strength to the programs, projects and initiatives of our party. With strength comes victory.

All Power To The People!

THE TIME IS NOW:

During the last fifty years, the Democrat and Republican parties have failed to address and remedy the systemic and structural inequalities that impact the lives of Black/New Afrikan people. Both the Democratic and Republican leadership avoid and/or marginalize serious national discussion regarding dismantling White supremacy, institutional racism and the plight of Blacks/New Afrikans, especially the urban poor and working class.

The New Afrikan Independence Party (NAIP) is committed to the pursuit of social justice, human rights and self/group determination for Black/New Afrikan people. We call for a revolutionary and radical reconstruction of the economic, political and social structures and institutions that impact our lives.

The NAIP will embrace the best ideals, ideas and practices of the Civil Rights, Black Power, Black Liberation, Pan-Africanist and other movements for independence and self/group determination.

The NAIP will also embrace the best ideals and practices of contemporary activists, organizers and movements for social change and radical reconstruction.

RECENT EVENTS AND ACTIVITIES

- In support and honor of the 20th anniversary of the Million Woman March, the MWM20 Pittsburgh Organizing Committee held activities throughout the Pittsburgh area. First was a gathering and dinner in recognition of Denise Zellous for her outstanding service to the community.

- Next there was an initiative for Black women to come out, apply and register for gun permits. This all day event was very successful and resulted in many women getting gun permits and additional information regarding upcoming classes on gun-safety and operations.

- A 5.5 million dollar settlement was reached between the City of Pittsburgh and Leon Ford, Jr, who in 2012 was shot over five times by Pittsburgh police officer David Derbish.

- Ford, than 19 years old, was pulled over mistakenly for someone else and detained even after having presented his license, registration and insurance. The shooting left Leon Ford, Jr. paralyzed.

- The vicious assault of Jade Martin at the hands of Mahmut Yilmaz, an employee at Pizza Milano's on January 12, 2018 outraged many within the Black/New Afrikan community and resulted in massive protest and demonstrations demanding his firing and the stores closing.

- Eventually, he was fired and charges of assault were filed against Yilmaz, but trespassing charges were also filed against Ms Martin as well. The community is demanding that charges against Ms Martin be dismissed and are still demonstrating and leading a boycott against Pizza Milano's’ with the goal of shutting it down permanently. More recently, attorneys for Ms Martin filed a five-million dollar lawsuit against Pizza Milano's.
Political Education and Community-O rganizing classes are mandatory for all NAIP members.

Contact us if you would like to set up a Political Education and Community Organizing class in your area.

Currently we meet every Saturday from 11am-1pm in the Pittsburgh, Pa. area.

The NAIP provides over 10 modules which include the following:
- The Philosophy and Platform of the NAIP
- White Settler Nation: the Political Economy of the United States
- Electoral Politics and Black/New Afrikan Liberation
- Malcolm X to George Jackson

We also facilitate sessions on:
- Organizing to Stop Police Brutality & Terror
- The Impact of Mass Incarceration

In today’s political and social climate it’s important for Black/New Afrikan women to be educated, trained and organized in ways and methods of self-defense. Obtaining gun permits and attending classes on gun safety and operations is a major step toward achieving that goal.
