## Remembering and Honoring the Legacy of Dr. Martin Luther King, Jr.

As we pay homage to Dr. Martin Luther King Jr., let us promote and uplift the narrative of Dr. King as a radically conscious warrior, truth teller and principled opponent to racism, poverty, militarism and war.

The status quo, including modern day racist, white-supremacist and so-called liberal media continue to portray Martin Luther King as just a civil rights leader with no profound or distinct political perspective or ideology.

MLK had more than just a dream. He came to understand the importance and righteousness of demands for Reparations on behalf of the descendants of enslaved Blacks.

He also developed a distinct perspective and vision of a world devoid of greed, white-supremacy and militarism at home and abroad. Let us continue to honor this legacy by our dedication and hard work in the pursuit of self-determination.

**BLACK/NEW AFRIKAN WORKERS UNITE!!!**

The time is now for us to organize, build and support an independent Black/New Afrikan Labor Organization!

We are tired of the traditional labor unions neglecting and bypassing the needs of Black workers for jobs and employment.

Witness the multiple tax-payer funded projects in your area that have very few or no Black workers on the site. Witness the multiple construction projects in your area subsidized with tax-payer dollars that have very few if any Black workers on site. The time is now! Join and Support the New Afrikan Workers Union! ([www.newafrikanworkers.org](http://www.newafrikanworkers.org))

**NATIONAL MOBILIZATION AGAINST POLICE  
BRUTALITY AND THE FRATERNAL ORDER OF  
POLICE (FOP)**

As we pursue the ideal goal of 'Community-Control of the Police', the National Mobilization Against Police Brutality & the Fraternal Order of Police (FOP) also propose the following interim reforms:

1. Mandatory cultural sensitivity training for all new and veteran police officers.
2. Intense psychological evaluations for all officers, especially those returning from military service.
3. Legislation creating a National Civilian-Police Review Board.
4. Universal drug-testing for any police officer who discharges his/her weapon while in the performance of duty.
5. Mandatory reporting for all stop, frisk, arrest and/or civilian confrontations.
6. Mandatory body-cameras for all police officers.
7. Mandatory dash-board cameras for all police vehicles, including transport vans.
8. We advocate & support local legislation which prohibits local police from acting as immigration enforcement of-  
ficers.
9. We advocate & support legislation which guarantees full & public disclosure of any police officers prior employ-  
ment history, including complaints and disciplinary actions resulting from all allegations and/or findings of police  
misconduct.

*No one, not even police officers and/or members of the Fraternal Order of Police (FOP) should be exempt from accountability  
and prosecution regarding criminal misconduct.*

*Sincerely,*

*National Mobilization Against Police Brutality and the FOP*

We demand the release of those Political Prisoners who are/were subject to additional harm, including prolonged solitary confinement and torture for political resistance during their incarceration. All must be released.

**All Power To The People!**

THE TIME IS NOW:

During the last fifty years, the Democrat and Republican parties have failed to address and remedy the systemic and structural inequalities that impact the lives of Black/New Afrikan people. Both the Democratic and Republican leadership avoid and/or marginalize serious national discussion regarding dismantling White supremacy, institutional racism and the plight of Blacks/New Afrikans, especially the urban poor and working class.

The **New Afrikan Independence Party (NAIP)** is committed to the pursuit of social justice, human rights and self/group determination for Black/New Afrikan people. We call for a revolutionary and radical reconstruction of the economic, political and social structures and institutions that impact our lives.

The **NAIP** will embrace the best ideals, ideas and practices of the Civil Rights, Black Power, Black Liberation, Pan-Africanist and other movements for independence and self/group determination.

The **NAIP** will also embrace the best ideals and practices of contemporary activists, organizers and movements for social change and radical reconstruction.

# **White Supremacy and Black Economic Disparity as Public Policy**

Looking out over the terrain of economic development throughout the United States, particularly those urban and suburban areas populated by Black/New Afrikan people, we can't help but notice the very real disparities in jobs and opportunities.

In many of these areas, such as Pittsburgh, Detroit and Chicago, Black people continue to experience unemployment, underemployment and poverty at twice the rate of their white counterparts.

Blacks/New Afrikans continue to have difficulty securing jobs through various construction projects, even those that are funded/subsidized by tax-payer or public funds. We notice that many trade unions, specifically those led by whites continue to discriminate in their hiring of Black workers.

Keeping Black people poor, dependent and weak through chronic unemployment and underemployment appears to be unofficial public policy for those in power, whether they be democrat or republican. Look at the construction sites and workplaces in your city, county and/or state. Tell me what you see....,

**SISTERS ARE DOING IT FOR THEMSELVES**

In today's political and social climate its important for Black/New Afrikan women to be educated, trained and organized in ways and methods of self-defense. Obtaining gun permits and attending classes on gun safety and operations is a major step toward achieving that goal.
